

VACANCY

Background:

AMCOW is an inter-governmental, Pan-African, non-budgetary institution working under the Specialized Technical Committee on Agriculture, Rural Development, Water and Environment of the African Union (AU), and provides political oversight on water resources and sanitation in Africa. AMCOW's mission is to promote cooperation, security, social and economic development, and poverty alleviation among member states through the effective management of the continent's water resources and the provision of water supply and sanitation services, and is mandated to provide political leadership in the implementation of the African Water Vision 2025 and water components of the African Union's Agenda 2063.

For more information, refer to: <http://www.amcow-online.org/>.

1. Call for Expression of Interest

AMCOW seeks to engage a team of consultants that will support the AfricaSan monitoring process by strengthening member countries' understanding of the rationale for monitoring and reporting towards accelerating progress in achieving the Ngor commitments on Sanitation and Hygiene...
